Greetings, DMI Student,

The Digital Media Institute at InterTech has received the CARES Act Higher Education Emergency Relief Fund Grant from the Department of Education on the behalf of our students. Your portion of the grant will be directly deposited into the checking/savings account that you put on your ACH form. The name on the deposit will be Biomedical Research Foundation.

The guidelines from the Department of Education on how to use these funds are listed below. This is a grant and does not have to be repaid.

“Emergency financial aid grants to students can be used for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance, such as food, housing, course materials, technology, health care, and childcare).”
